About BSc in Computer Science programme

About BSc in Computer Science programme

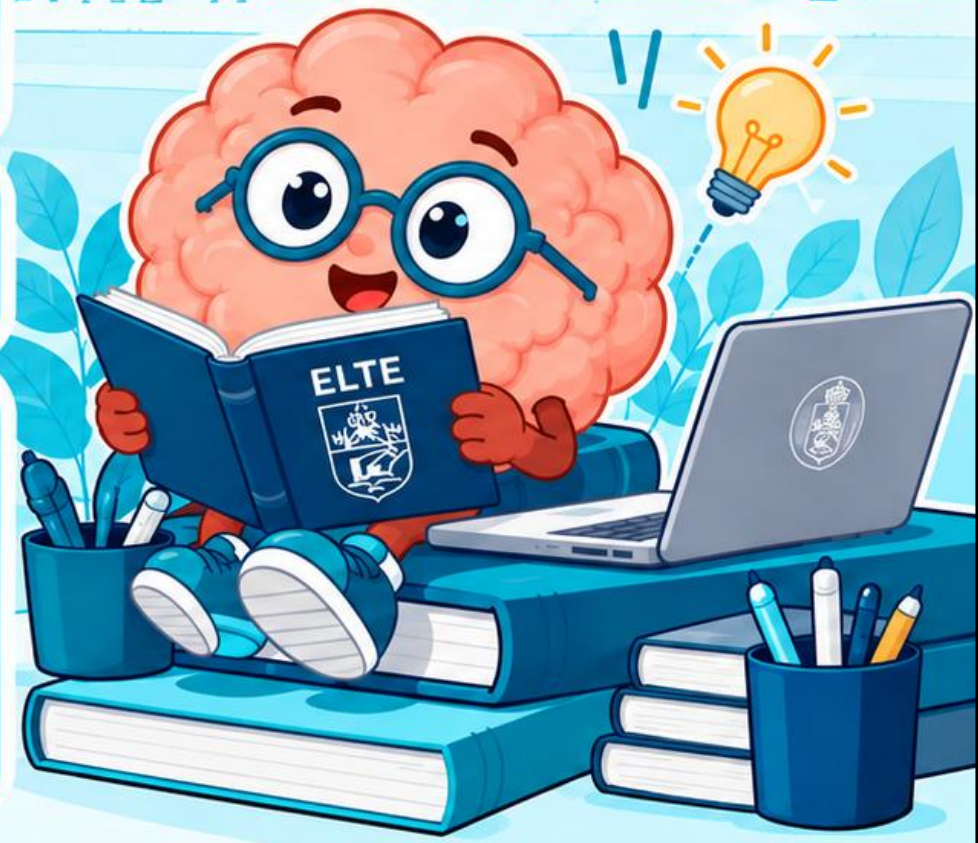

Our BSc in Computer Science training is **6 semesters** long and provides a general overview of the world of Informatics: the practice of programming, software engineering, and the appropriate mathematical and theoretical background.

What kind of degree will I get at the end of the training?

- A BSc degree

How much does it cost?

- The tuition fee is **3,200.00 EUR** per semester and needs to be paid by the time the semester starts OR in case you need it for a visa, until the deadline of the visa administration.
- Furthermore, you have to **pay an 150 EUR application fee**. (It is a NON-REFUNDABLE one-time fee), the fee of the administration costs of your application: to check your documents, organize your test and the interview. Without this fee, your application will be rejected.

How can I apply?

1. **Submit your application to Computer Science BSc.**
   Application deadline: **30 April** for the semester starting in September.

2. **Please sign in at the site and upload the following application materials in full:**

- **Copies** of your **secondary school leaving documents** (GCE / GCSE / ...) and **a transcript of the results of the final two (or more) years.** If you do not yet have the final document (because you are in your final year), you can send it later, as soon as possible, but please send us your transcript in the meantime.
  Without these documents, the admission committee will reject your application.
- A copy of **any further documents** or course descriptions related to your previous education (e.g. computer courses, higher education, language exams, etc.).
- A **curriculum vitae**, listing your personal data, educational background and work experience (if you have any), and mentioning any other information you consider relevant.
- A **motivation letter** describing your current situation and your objectives for applying to our University's programme.
- A copy of the main pages of your **valid passport.**
- A **passport photo** not older than 3 months.
- A **medical certificate** issued by a doctor or hospital, stating that you do not carry any contagious diseases and that you are physically and mentally fit for higher education abroad.
- Proof of the **application fee transfer – 150 EUR.**

3. If a **document is not in English**, please submit **both** a copy of the original and an official English translation; otherwise we cannot evaluate it.

4. Of course, you must **bring** the original entry qualification documents with you when you finally come to the university.

! **IMPORTANT!** Before submitting your application, please double-check your personal data and the e-mail address you have provided. This e-mail address will be your official e-mail address, and we will send you information letters only to this e-mail address. If you would like to change your e-mail address later, please write an e-mail to **international@inf.elte.hu.**

What happens next?

1. **In case you paid the application fee,** your documents will be checked.
2. **If you have uploaded everything correctly,** you will get an invitation e-mail for an online test to your e-mail address registered during the application process.
3. **Topics in the online test:** →
4. **You cannot use any aids / assistance during the test.**
5. **If the result of your test is at least 75%,** we organize an interview in English to check if you have Intermediate language knowledge.
6. Once everything is done and your results exceed the expected level, you will receive a **Letter of Acceptance** via the application site.
7. With the Letter of Acceptance you can **apply for a visa.**

Math (30 minutes)
– syllabus, topics in secondary school (high school) mathematics curriculum

- Word problems
- Arithmetic, geometric series
- Number theory
- Functions
- Logic
- Absolute values
- Fractions
- Inequalities
- Equation systems
- Root and Quadratic equations
- Exponential and Logarithmic equations
- Trigonometry, trigonometric equations

Algorithmic thinking, problem-solving test
(30 minutes)

The Faculty does not have any example tests.

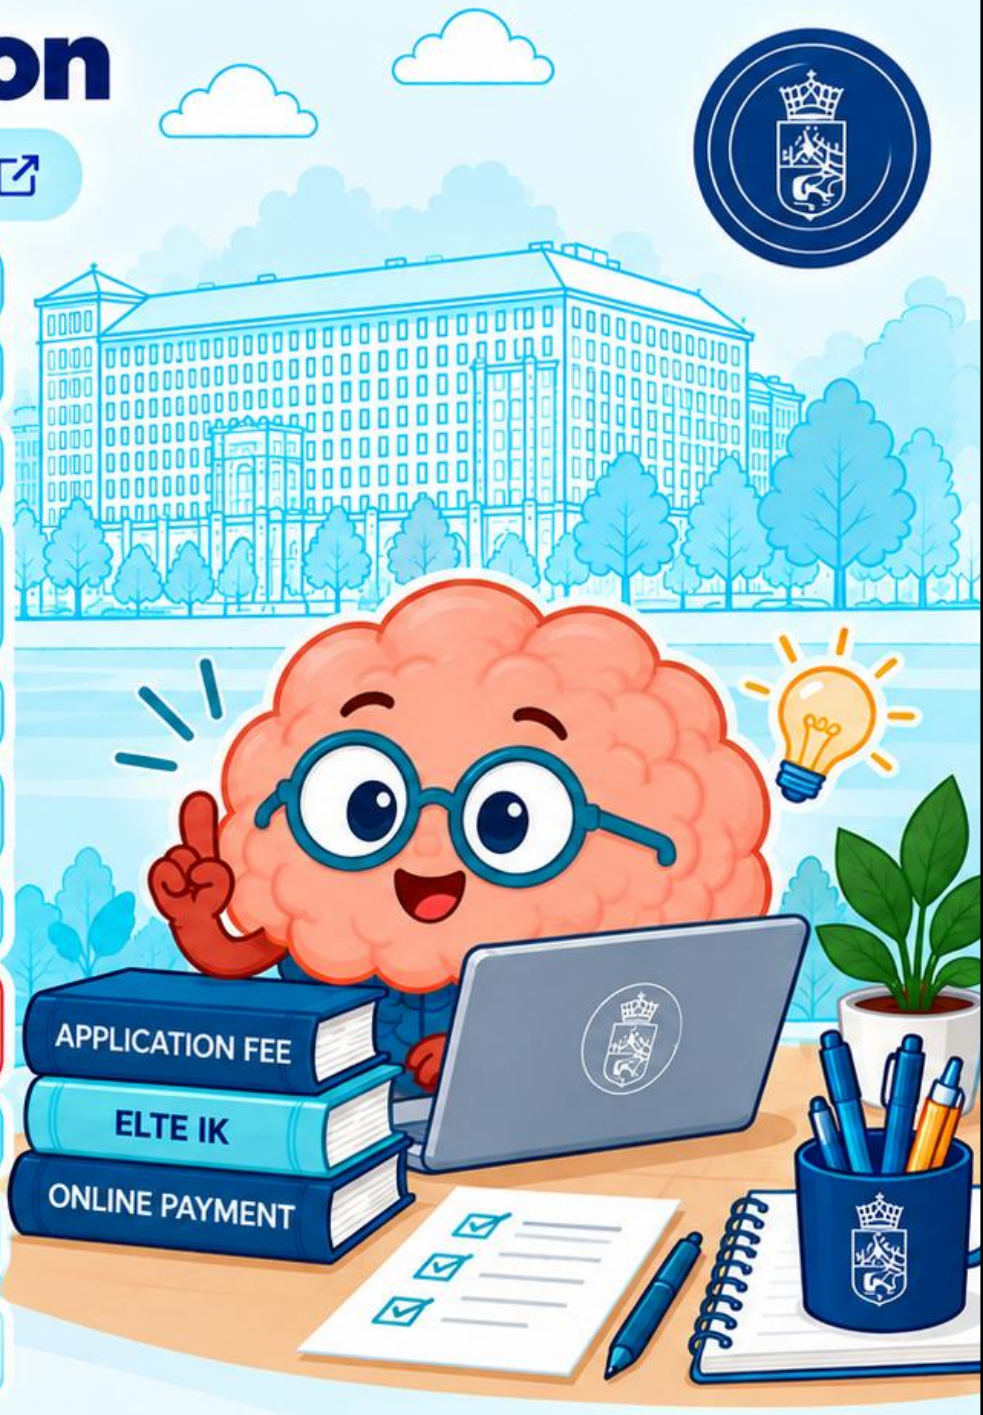

In case any of the necessary documents are still missing after 31rd of August, your application will be rejected.

How to pay the application fee of 150 EUR?

Essential guide

1. Open the **official payment platform** of ELTE.
2. Accept the **privacy notices** at the bottom of the page.
3. Then click on **Start Shopping.**
4. Select the **Faculty** (**Faculty of Informatics**) from the drop-down menu, then the **payment title** (**application fee**), then add the related study programme in the **Subtitle** section.
5. Click on **To the Cart.**
6. The cart summary will appear on the right-hand side of the screen. If you selected the right fee, click on **Next.**
7. Fill out the **Billing data.**
8. **IMPORTANT!!!** Fill in following Notice: **CS BSc, E10104/18**
   Without the correct comment, your payment will not be accepted!
9. Then click on **Go to Payment.**
10. Check your billing information; if everything is correct, click **'Pay'.**

Applications are only accepted being submitted through the **online application system.**

With any questions or remarks,

please contact the international coordinator:
