

THESIS CONSULTATIONS - DEADLINES

from 15 May 2024

BSc in Computer Science

in case of taking the Final Examination in January /
in case of taking the Final Examination in June

Consultation	
Deadline	Topic
15 May / 15 October	<p>Discussing the details of the Thesis Topic Registration Form and submitting it. Preparing a work plan for the thesis.</p> <p>Discussing the topic and the short description of the thesis with the supervisor. Checking the data of the supervisor to be provided in the Thesis Topic Registration form. Creation of a work schedule for the thesis writing progress. Scheduling the date of the next meeting and the progress to do until then.</p>
1 July / 1 December	<p>Planning stage, description of the software requirements to be developed</p> <p>The description of the software requirements to be developed, especially the functional requirements. This can take the form of a use case diagram with a detailed explanation or a table of user stories: <function's name, short description, given-when-then triple entry template></p>
10 September / 10 February	<p>The architecture of the developed software</p> <p>The architecture of the developed software (ex. three layered: UI, BL, DBA and its business rules (mandatory: class diagram). Registration for the Thesis consultation subject offered with the supervisor as a lecturer.</p>
1 October / 1 March	<p>Presentation of the implementation (60-70% level of completeness)</p> <p>Presenting the implementation that is at least 60-70% ready, based on which the Thesis consultation's grade will be administered in Neptun. Discussing the thesis related topics to be chosen on the Registration for the Final Examination form.</p>

The Thesis consultation subject is assessed on a 3-point grading scale:

- *Excellent*: the student fulfilled all the consultation milestones by the deadline.
- *Satisfactory*: the student does not follow the schedule of the consultation milestones, completes the thesis, presents the program, but its level of completion fits the level of the last consultation milestone.
- *Fail*: the student will not fulfil the last consultation milestone until the deadline for administering the Thesis consultation grades.

•

10 November / 10 April	Presentation of the completed thesis to the supervisor It is not part of the fulfilment of the Thesis consultation subject, but necessary for uploading the thesis and sitting for the Final Exam. We recommend you to organize a trial thesis defence 1-2 weeks before the Final Exam.
------------------------	---

The deadline for administering the Thesis Consultation grade in Neptun in case of students who upload their thesis by the 1st of December/ the 1st of May is: 15th of December/ the 15th of May.

In other cases, the deadline for recording the practical grade applies (the 7th of January / the 7th of June). In exceptional cases, when the student was unable to complete the exam on time due to illness or other extraordinary proven problems, he may complete it until the last week of the exam period with the permission of the vice-dean.
