INFORMATICS

# Registration for the semester

## Registration for the semester (activation of student status)

- **First, compile the list of subjects you would like to take, and then register for the semester during the registration period. Registration will activate your student status and enable you to register for subjects.**
- Exact deadlines are available on our website:

<https://www.elte.hu/en/academic-calendar>

**According to ELTE Organisational and Operational Regulations, there is no option for late activation, but there is an opportunity for extraordinary (vis maior) passivization. If you are unsure whether to continue your studies or not, we recommend registering for the semester and setting your status active.**

- **The registration week of the academic year is your last chance to register for the semester.**

## Registration for the semester (activation of student status)

To register for the semester and activate your student status, log in to Neptun, and go to **Administration > Enrollment/Registration**. Choose the current semester, then **click on the + sign** at the end of the row.

The screenshot shows the Neptun system interface. The navigation menu includes 'Exams', 'Finances', 'Information', and 'Administration'. The 'Administration' menu is open, showing 'Enrollment/Registration' as the selected option. Below the menu, there is a filter section with 'Only active: No' and an 'Add to favourites' button. The main content area is titled 'Registration/Enrollment applications' and contains a table with the following data:

Training	Admission year	Status	Term status
Computer Science	2023/24/1	Accepted	Active
Computer Science	2023/24/1	Accepted	Active
Computer Science	2024/25/1	New	

A blue callout box points to the '2024/25/1' admission year in the table, with the text 'Choose the current semester!'. A blue arrow points to the '+' sign at the end of the row for the 2024/25/1 admission year.

# Registration for the semester (activation of student status)

**Click on Enroll** and a pop-up menu will appear. **Set your status to Active**, and **click Save**. Verify your personal and educational data, and if all the information is correct, **click Next and Submit the request**.

The screenshot shows a web application interface for enrollment. A pop-up window titled "Enrollment/Registration" is open, displaying a "Statement on term status" section. The text reads: "On the current training (programtervező informatikus) my status in the (2024/25/1) term will be:". Below this, there are two radio button options: "Active" (which is selected) and "Passive". A blue arrow points to the "Active" radio button. At the bottom of the pop-up, there are "Save" and "Back" buttons. A blue arrow points to the "Save" button. In the background, a table of "Registration/Enrollment applications" is visible. The table has columns for Training, Admission year, Term, Status, and Term s. The third row is highlighted in grey and shows "Computer Science", "2023/24/1", "2024/25/1", and "New". To the right of the table, there is a "Term s" column with "Active" and "Active" values. A blue arrow points to the "Enroll" button in the top right corner of the table area. A pop-up menu is open over the "Enroll" button, showing options: "Enroll", "Change status", "View registration request", and "Print general certificate". A blue arrow points to the "Enroll" option in the menu. At the bottom left of the page, there is a footer with the ELTE logo and the text "ELTE FACULTY OF INFORMATICS".

Training	Admission year	Term	Status	Term s
Computer Science	2023/24/1	2023/24/1	Accepted	Active
Computer Science	2023/24/1	2023/24/2	Accepted	Active
Computer Science	2023/24/1	2024/25/1	New	

# Registration for the semester (activation of student status)

You can double-check the success of your registration in the **Enrollment/Registration** menu.
