About the Preliminary Programme

▪ **What is Preliminary Program?**

The Preliminary semester is for students **who would like to prepare themselves better before starting a BSc course** in Computer Science in English. The Preliminary semester includes lessons in Mathematics, Informatics and English language.

▪ **What kind of degree will I get at the end of the course?**

You will only get a declaration of completion, but please note, **you will not receive any kind of certificate**. Preliminary program is not a degree program, it is not the first semester of the BSc course, that is why you will not get a degree. BUT if you pass your exams successfully, you continue your studies starting the BSc program. Completed courses will be counted into your BSc degree.
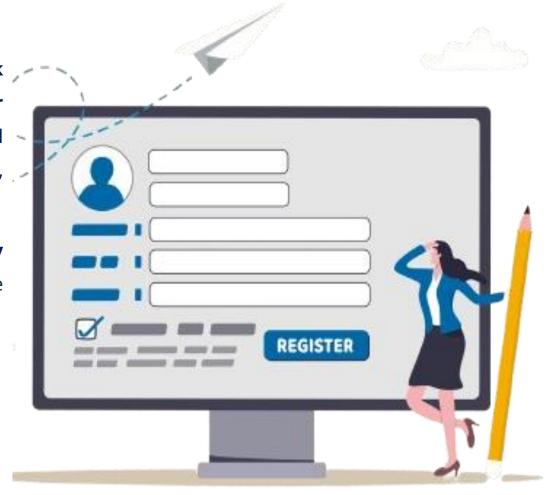

▪ **How much does it cost?**

The tuition fee is **€3,200.00** per semester, needs to be paid by semester start OR in case you need it for a visa, until the deadline of the visa administration.

Furthermore you have to pay €80.00 application fee, (It is a NON-REFUNDABLE one-time fee) Is is the fee of the administration costs of your application: to check your documents, organise your test and interview. Without this fee your application will be rejected.
